DETAILED ACTION

This Office Action is in response to the amendment filed 3 December 2004.

Allowable Subject Matter

Claims 21-30 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 21-30 are allowable because prior art does not show alone or in combination along with the limitations of the independent claim such as a first semiconductor structure having a front and back sides, a microelectromechanical system formed on said front side of said first structure; a second structure bonded to said first structure, an open area in said first structure under said system, and a film applied to the back side of said first semiconductor structure forming said open area between said first semiconductor structure and said film.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2822
